Arlington County and Fairfax County are proposing a streetcar line in the Columbia Pike corridor. The two counties have engaged the Washington Metropolitan Area Transit Authority (also known as Metro) to prepare a combined Environmental Assessment/Alternatives Analysis and are in coordination with the Federal Transit Administration for Federal environmental procedures and capital funding.

The project, known as the **Columbia Pike Transit Initiative**, would extend along Columbia Pike (Route 244) from the Bailey's Crossroads/Skyline area in Fairfax County to Pentagon City in Arlington County. Alignment and yard options extend to the Northern Virginia Community College within the City of Alexandria, which is participating in the project.

We want to inform you about the Initiative and receive your input. Please plan on attending one of these important meetings! For more information, visit [www.piketransit.com](http://www.piketransit.com). Spanish translation will be provided at the meetings. For special assistance for persons with disabilities, please call me at (202) 962-1027, at least 10 days prior to the meetings. Feel free to share this invitation (see enclosed bilingual flyer) with your family, friends, and neighbors. We sincerely appreciate your participation and look forward to seeing you soon!
